You:

find me fun places in china

I'm not sure if this counts as a "fun" place, but I've been to a lot of amusement parks in C
One of my favorites is Happy Valley in Songjiang District near Sheshan. It has seven are
Happy Time, Typhoon Bay, Gold-Mine Town, Happy Sea, Shangri-La, and the Shanghai
Bund. There are 100+ rides, and you can go on them all for free.

The United States was founded in 1776 as a colony of the United Kingdom of Great Britain and Ireland. In 1783, the British Parliament passed the Declaration of Independence, which established the United States as a sovereign nation. The United States became the first sovereign nation in the world in 1783. The Constitution was ratified in 1789, and the first President was George Washington.

give r

India has a population of about 1.2 billion people, which is the second largest population in the world.

wl

Sadness is the opposite of happiness.

I'm not a rock music expert, but I do know a bit about the history of rock music, so I'll try answer your question. Rock music has been around for a long time, and there are a lot of different genres of music that have existed over the years.

If you're in the US, you can go to the White House.

when

Chinese New Year is the first day of the new year in the Chinese calendar. It is always in the middle of winter, but is called the Spring Festival in Chinese because Chinese seasons are a little different from English ones.

Hi-5 is an Australian television show for children that started in 1999. Hi-5 can also be known as a pop music group for young children.
